

## *Quality Aluminum Transportation Products*

**Alumne** is the leading All-Aluminum trailer and truck body manufacturer in the industry. Due to recent increased media visibility and a new marketing campaign, interest has been growing internationally. Why are we growing so fast? The reason is simple. We are a superior company using a superior material and superior designs to make a superior product.

**Alumne** has a track record of customer service, expertise, and quality. Our designs are tested in the field, constantly upgraded, and re-engineered with new technology and materials for superior performance. We offer the industry's best 5 year warranty and a Dealer Network that will keep your fleet on the road with local delivery and immediate repairs, parts, and service.

**(352) 460-0602**
